## Payment Agreement

Payment is due at time of service

Our office gladly accepts Visa, MasterCard, Discover, American Express, cash and Care Credit. If you would like to apply for Care Credit financing, please consult our front office staff.

### For Patients with Insurance

We may accept assignment of insurance benefits; however, we do require deductibles and co-payments to be paid at the time of service. The balance is your responsibility until paid in full. Your insurance policy is a contract between you and your insurance company; we are not a party to that contract nor are we responsible for procedures that are not covered for any reason. We must have complete and up-to-date insurance information in order to bill your insurance company on your behalf.

### Returned Checks

If a check is returned unpaid, there will be a charge for any bank processing fees added to the amount of check. In the event a check gets returned, our office will no longer be able to accept a check payment. **As 7/15/2014 Cervantes and Prado Dental Care will no longer be accepting personal check as a form of payment.**
